January 22, 2021

Dear Seward Parents/Guardians,

Our COVID positivity rate of students and staff this week is 0.17%, which is the same as last week. This percentage equates to three students/staff testing positive out of 1700 students and staff. We had 0.47 % of our students/staff out on quarantine or isolation this week, which is also the same percentage as last week. The Four Corners Risk Dial is at 1.88, which is in yellow for the first time since September 25, 2020.

The governor's risk dial based on the hospital bed capacity within our state is in blue. Today the hospital bed occupancy is at 421, which is down from last week.

We need to continue to slow the spread of the virus and what we do collectively is imperative. Please do your part as parents and community members. Together we are making a difference. Continue to avoid the Three C's.

1. Crowded Places. Avoid gathering in groups where you can't maintain 6-foot distance from others.
2. Close Contact. Wear a mask or maintain a 6-foot distance when you're with people you don't live with.
3. Confined Spaces. Avoid enclosed spaces with poor ventilation.

Have a great weekend!

Sincerely

Josh Fields

Dr. Josh Fields
