

Notification from: **Seward Public Schools ADMIN**

Dear Parents/Guardians:

The Four Corners Risk Dial is in the YELLOW this week to start our first day of school on Thursday, August 13. This means that mask will be required for all K-12 students and staff when we cannot social distance six feet or more or in specific classes designated from our fall reopening plan. The district will communicate to parents/guardians **only if there is a change in color** with the Four Corners RISK DIAL. The risk dial can be viewed at <https://fourcorners.ne.gov/> and is updated every Friday. There is also a COVID Self Screening Document for parents attached to the email.

I hope everyone has a great start to the school year!

Dr. Fields
