

**5013**  
**Use and Dissemination of Test Results**

At least annually, the superintendent of schools shall provide a report consisting of the results of the district's performance program including but not limited to: standardized norm-referenced assessments, criterion-referenced assessments, student performance, school system demographics, financial information, a follow-up study of graduates, and a learning climate survey. This report shall be made available to all patrons of the district. Building level results will be reported only to appropriate staff for review and goal setting.

This report shall not include any individual test scores or assessment, but individual student test scores or assessment results will be reported to the student's parents or legal guardian(s).

A comprehensive evaluation of the district shall be conducted at least once every five years using instruments and guides approved by the Department of Education.
